

Omnia Glass Ltd.

Our Company OMNIA Glass Ltd. is the Czech wholesalers and exporter of the famous Bohemia glass for home, hotels and other public buildings. The Czech glass with label “Bohemia Crystal” or “Bohemia glass” is in high demand worldwide for its excellence and high quality. Hundreds of years by the Czech glass are synonymous with beauty and perfect craftsmanship.

Our Company guarantees individual approach to each customer with maximum efforts to accommodate his wishes and requirements. We offer a wide assortment of the traditional Czech glass, including Chandeliers and Lights or Ours own possibility of hand-made glass decorating and cutting. We cooperate with many renowned major producers of the Czech glass. We represent some of them exclusively in the Middle East and Egypt where we have too. We also work closely with small family manufactures which are able to provide the necessary quality and accuracy of manual processing including individual delivery deadlines.

During Our existence, OMNIA Glass has attracted a stable group of its customers in the Czech Republic and especially abroad. We are trying to find the best response to customer's wishes and ideas in the best way suitable for both parties. We cooperate with the famous Czech companies which are known for their projects in many countries.

**OMNIA Glass Ltd.
Prague, The Czech Republic**

We can offers our customers not only classic, timeless and crystal chandeliers, but also designs and manufactures lights for different interiors. The main content of the production program is the production of crystal chandeliers called "Teresiana" that have been produced in times of Maria Theresa.

The Czech Chandeliers and the Lights represent a world quality and handicraft tradition of Bohemian crystal, brass, light metals, using gold and accompanied cut crystal trimmings. It also uses combination of traditional handicrafts with modern technology.

The Chandeliers for representational spaces
